FRANZ GEE EM D. MOOG

San Jose Batangas City **|** [63+] 927 - 838 - 9485 **|** Emm.moog@gmail.com**|** https://franz025.github.io/Portfolio/

PROFILE SUMMARY

Motivated and detail-oriented Web Developer with strong foundational knowledge in front-end and back-end technologies. Experienced in designing, developing, testing, and maintaining web applications. Proficient in multiple programming languages and frameworks with a strong focus on user experience and functionality. Adaptable team player with excellent communication and problem-solving skills.

EXPERIENCE

INTERN PROGRAMMER **|** CITY GOVERNMENT OF BATANGAS **|** FEBRUARY - JUNE 2025

- Contributed to the development and maintenance of internal web-based systems used for accomplishment reporting and data monitoring across various departments.
- Participated in designing intuitive user interfaces that improved usability and access to data for non-technical staff.
- Assisted in the debugging and troubleshooting of municipal IT infrastructure, including identifying system errors and implementing corrective patches.
- Collaborated with cross-functional teams to implement enhancements and optimize performance of existing applications.
- Supported the documentation of technical processes, project workflows, and user guides for future reference and continuity.
- Gained hands-on experience with PHP, MySQL, HTML/CSS, and version control tools (Git) in a real-world government environment.
